Match the Inequalities Game

Directions: Separate the graphs from the inequality cards. Have the score keeper read the inequality aloud while the matcher finds the matching graph. Put these cards together and continue until all matches have been made. Have the score keeper keep track of correct and incorrect matches. Give the incorrect matches back to the matcher to try again. Discuss the incorrect matches together until they are matched correctly. Switch roles and repeat.

Behavioral Expectations:

- Use a low talking voice.
- Be supportive, not critical, of each other.
- Disrespect will result in removal from the activity.
- If you need help explaining something, ask the teacher.
